Action Plan 2013
For the implementation of the Strategy for the Faculty of Social Sciences 2012-16 and UCPH targets.

UCPH target plan and the "2016-Funds"
- Implement the Faculty’s specific 2013 targets in the UCPH target plan [http://rektorat.ku.dk/strategi/Samlet_m_lplan_UK.pdf_copy/]
- Implement initiatives to follow-up on the "2016 Funds"

Studies/education
• Accredit the planned new degree programmes and determine new educational initiatives, including possible restricted admission to MSc degree programmes.
• Continue the implementation of the Faculty’s “Common Market of Education”, joint ETCS etc.
• Complete the policy on quality assurance in relation to education

Research and PhD
• Continue monitoring of research assessments
• Implement research service initiatives
• Follow-up on PhD assessment

Collaboration and interdisciplinarity
• Develop and initiate plan for reinforcement of quantitative methods and joint data access across academic disciplines/departments
• Establish "Centre for Health Economics and Policy" and consolidate Asia-activities, Europe-venture and activities within the field of development
• Realize at least one new major externally funded interdisciplinary research project/center

Internationalization
• Improve the framework and opportunities for attracting and retaining more international researchers and lecturers
• Improve the framework and opportunities for attracting more foreign full-degree students and more foreign PhD students
• Strengthen the social environment for foreign researchers and students

Dissemination
• Strengthen the dissemination of research results
• Complete the implementation of KUnet
• Establish and implement standard for the lowest acceptable rate of update of CURIS at researcher’s level

Administration
• Implement decisions in relation to HR, accounting and the study administration
• Determine the organization of and administrative resources for dissemination, research services and internationalization
• Skills development within the department and Faculty administrations; including language

Staff
• Streamlining the hiring process in terms of academic staff
• Follow-up on the workplace assessment (DK: APV)
• Social events across the Faculty
